

Catarrh

May affect any portion of the body where the mucous membrane is found. But catarrh of the head is by far the most common, and the most liable to be neglected. It cannot be cured by local applications. Being a constitutional disease it requires a constitutional remedy like Hood's Sarsaparilla, which working through the blood, eradicates the impurity which causes and promotes the catarrh, and soon effects a permanent cure. At the same time Hood's Sarsaparilla builds up the whole system, and makes one feel renewed in strength and health. If you suffer from catarrh, be sure to try Hood's Sarsaparilla.

Impure Blood

"I used Hood's Sarsaparilla for catarrh, and received great relief and benefit from it. The catarrh was very disagreeable, especially in the winter, causing constant discharge from my nose, ringing noises in my ears, and pains in the back of my head."

The effort to clear my head in the morning by hawking and spitting was painful. Hood's Sarsaparilla gave me relief immediately, while in time I was entirely cured. I am never without the medicine in my house as I think it is worth its weight in gold."

Cures Catarrh

"I was troubled with that annoying disease, nasal catarrh, and never found relief till I took Hood's Sarsaparilla." J. L. BOUTT, Marksburg, Ky.

Continued from Fourth Page.

in the lower peninsula gave Harrison 32,911; Cleveland, 25,809; Fisk, 3,297. The same towns in 1884 gave Blaine 28,993; Cleveland, 27,506; St. John, 4,282.

1884—Total vote, 401,184; Cleveland, 189,361; Blaine, 192,669; St. John, 15,403; Butler, 753.

NEBRASKA.

OMAHA, November 6.—The weather throughout the State is fine. The vote is so heavy that the count will be very late coming in. Omaha nearly doubles the vote of two years ago.

LINCOLN, Neb., November 6.—The State Republican committee estimate the Republican majority in Nebraska at between 28,000 and 30,000. The Democratic committee concede the State by 20,000. The Republican majority on Governor is estimated by the Democrats at 8,000, and by the Republicans at 20,000.

OMAHA, November 6.—Forty-four precincts in Nebraska, outside of Douglas County, give Harrison 5,253; Cleveland 3,658.

1884—Total vote, 134,193; Cleveland, 54,301; Blaine, 76,903; St. John, 2,899.

IOWA.

DES MOINES, November 6.—The polls closed at 6.30 p. m. with a very large vote. Harrison will run considerably ahead of the State ticket in this vicinity. Railroad men generally voted for Democratic railroad commissioners. Several Democrats of this city were arrested for distributing spurious ballots. There are 1,800 voting precincts in Iowa. The comparison of the vote will be with the vote of 1887 for Governor, which was as follows: Larabee, Republican, 169,686; Anderson, Democrat, 133,256; Carne, Labor, 14,993.

DES MOINES, Iowa, November 6.—The following are known beyond a doubt to be elected Congressmen: Second District, Walter L. Hayes, Democrat, by about 8,000 plurality; Third District, David B. Henderson, Democrat, 1,000; Fourth, U. K. Sweeney, Republican, 900; Fifth, E. Dyer, Republican, 1,000; Seventh, E. H. Conger, Republican, 2,300; Ninth, J. R. Reed, Republican, 2,600; Tenth, J. P. Dollinger, Republican, 4,300; Eleventh, J. L. Struble, Republican, 4,500.

1884—Total vote, 375,840; Cleveland, 177,286; Blaine, 197,082; St. John, 1,472.

ALABAMA.

MONTGOMERY, Ala., November 6.—The weather is clear. A moderate vote only is being cast.

MONTGOMERY, Ala., November 6.—Scattering returns from all districts are sufficient to show a solid Democratic delegation to Congress. Cleveland's majority will be as large as in 1884.

MONTGOMERY, Ala., November 6.—The Democrats claim a majority in the State of 30,000.

1884—Total vote, 153,789; Cleveland, 92,973; Blaine, 59,414; St. John, 619; Butler, 762.

CALIFORNIA.

SAN FRANCISCO, November 6.—It will be impossible to compare to day's vote by precincts to that of four years ago owing to the remoteness of a great many precincts, and also to the State law which requires that all names upon each ballot shall be counted at one time. It is probable that a correct estimate of the result cannot be formed until tomorrow evening. Arrangements have been made, however, to collect returns from all parts of the State up to midnight, and in those precincts where the entire vote has not been counted, returns will be sent in of the vote as far as counted.

Weather is clear. Voting commenced early. It is estimated that three-fourths of the entire registered vote of the city was polled before noon. Eight arrests for illegal voting.

1884—Total vote, 196,704; Cleveland, 89,288; Blaine, 102,416; St. John, 2,963; Butler, 2,037.

CONNECTICUT.

NEW HAVEN, Conn., November 6.—The weather all over the State is cloudy and threatening.

The weather is damp, but a big vote will be polled. Cleveland seems to be polling the usual Democratic majority.

MORRIS, Democrat, for Governor, will run ahead of his ticket by 1,000 votes.

HARTFORD, November 6.—A very large vote is being polled, some wards having half their lists checked by 11 o'clock. The Republicans are voting their full strength early with a good chance of reducing the usual Democratic majority.

HARTFORD, November 6.—The indications are that Harrison carries the State by 450 majority.

One hundred towns show a Republican gain of 326 on the Presidential vote of 1884.

NEW YORK, November 6.—A Herald bulletin says: Cleveland has carried Connecticut by 859.

NEW YORK, November 6.—A Herald bulletin says Connecticut is for Cleveland by about 1,600 plurality.

Returns received up to midnight by the Evening Post from 114 towns show a Republican gain of 1,324. The same ratio of gain in the remaining towns will give the State to Harrison. Republicans elect three Congressmen and probably four. The Legislature is Republican by a large majority, and will elect Republican State officers.

The total vote of this city on President was 11,334. Cleveland's plurality is 322, against 670 in '84.

1884—Total vote, 137,233; Cleveland, 67,167; Blaine, 65,896; St. John, 2,489; Butler, 1,684.

DELAWARE.

WILMINGTON, November 6.—Secretary Bayard reached home last night, and voted early.

1884—Total vote, 30,003; Cleveland, 16,976; Blaine, 12,953; St. John, 64; Butler, 10.

COLORADO.

DENVER, Colo., November 6.—Up to 9 o'clock no returns are in from either the city or State. This is owing to the fact that the polls do not close until 7, and the large number of votes polled in each precinct. The probabilities are that nothing definite will be learned before midnight. It is estimated the increased vote will be 25,000. Republicans claim the entire national State

and county tickets are elected by 6,000. The only disturbance so far reported is from the Twenty-fourth Precinct, where a party of colored and white voters had a row, and two whites named Shea, a saloon-keeper, and a man known as "California Jack," were shot and badly, but not fatally wounded.

1884—Total vote, 66,732; Cleveland, 27,723; Blaine, 35,290; St. John, 761; Butler, 1,938.

FLORIDA.

JACKSONVILLE, Fla., November 6.—The weather is cloudy and threatening rain in this State. The weather cleared. Two-thirds of the Democratic votes are in. Negroes are standing off somewhat. Republican votes are slight so far. The county gave a majority for Blaine in 1884 of 1,200. This will be largely reduced. Most sanguine Democrats predict a Cleveland majority of 100.

1884—Total vote, 59,874; Cleveland, 31,769; Blaine, 28,031; St. John, 74.

MISSOURI.

KANSAS CITY, November 6.—Cloudy and cold. A heavy vote is being polled. The scarcity of voting places will cause many to lose their votes, being crowded out. Advances from eastern Kansas and western Missouri show a heavy vote. Indications are for clear weather.

ST. LOUIS, November 6.—The weather is fair. An immense vote is being polled. At 12.30 nearly two-thirds of the ballots were in the boxes.

An evening paper says the indications in St. Louis were that the entire city Republican ticket will be elected, with the possible exception of Pohlman for sheriff.

1884—Total vote, 441,070; Cleveland, 235,988; Blaine, 202,129; St. John, 2,163.

MARYLAND.

BALTIMORE, November 6.—Clear. Many arrests for fraudulent voting mostly of colored men. The indication is of an unexpectedly large vote.

1884—Total vote, 125,945; Cleveland, 93,942; Blaine, 85,637; St. John, 2,789; Butler, 507.

MAINE.

PORTLAND, Me., November 6.—Dispatches from various points in the State indicate a very quiet election, with a falling off of about one-third in the general vote as compared with the September election.

BOSTON, November 6.—Telephone reports from Maine indicate between 23,000 and 24,000 plurality for Harrison, a gain of 4,000 over 1884.

AUGUSTA, Me., November 6.—Blaine sent the following telegram to General Harrison: "Returns thus far received indicate that Maine has given you a majority of 25,000. It will be more rather than less."

1884—Total vote, 130,462; Cleveland, 52,140; Blaine, 72,209; St. John, 2,160; Butler, 3,953.

NORTH CAROLINA.

RALEIGH, N. C., November 6.—The weather is fair, and voting is going on quickly throughout the State. It is probable that the vote will be very heavy.

WILMINGTON, N. C., November 6.—Lowland, Democrat, is elected to Congress from the Sixth District.

The election passed off quietly. Returns are meagre, but show Democratic gains.

RALEIGH, N. C., November 6.—Returns from 165 precincts show a gain for Cleveland of 601.

1884—Total vote, 203,474; Cleveland, 142,953; Blaine, 123,068; St. John, 451.

VERMONT.

WHITE RIVER JUNCTION, Vermont, November 6.—Seventy-five towns give Harrison 18,918; Cleveland 6,878; Fisk, 565. The same towns in 1884 gave Blaine 16,346; Cleveland, 7,039; St. John, 740; Butler, 292.

1884—Total vote, 59,383; Cleveland, 17,331; Blaine, 39,514; St. John, 1,753; Butler, 785.

GEORGIA.

ATLANTA, November 6.—The indications are that Cleveland's majority in this State is about 25,000. A solid Democratic Congressional delegation is elected.

1884—Total vote, 142,643; Cleveland, 94,653; Blaine, 47,692; St. John, 105; Butler, 135.

NEW HAMPSHIRE.

CONCORD, N. H., November 6.—The vote in 65 towns and cities give Harrison 8,326; Cleveland, 3,328. The same places in 1884 gave Blaine 7,796; Cleveland, 7,988.

1884—Total vote, 84,575; Cleveland, 39,195; Blaine, 43,254; St. John, 1,572; Butler, 554.

RHODE ISLAND.

PROVIDENCE, R. I., November 6.—At 3 p. m. the city vote with one ward lacking was: Harrison, 5,361; Cleveland, 3,905; Fisk, 332. Four years ago at this time it was: Blaine, 5,617; Cleveland, 3,339; scattering, 306.

PROVIDENCE, R. I., November 6.—Complete: Harrison, 21,988; Cleveland, 17,496; Fisk, 1,276. Republican majority, 3,193.

1884—Total vote, 32,771; Cleveland, 12,391; Blaine, 19,030; St. John, 928; Butler, 422.

MINNESOTA.

MINNEAPOLIS, November 6.—Clear, crisp and cool in this city. A large number of ladies are voting for the school board.

ST. PAUL, November 6.—The Globe has returns from seven townships of Minnesota, indicating the election of a Democratic governor by 10,000 plurality.

ST. PAUL, November 6.—It is roughly estimated that when the polls closed at 7 o'clock this evening from 6,000 to 9,000 St. Paul voters had failed to get their ballots in, because of the heavy registration and the slowness of the inspectors. Great indignation is expressed.

ST. PAUL, November 6.—The Republican State Central Committee claims the State for Harrison by 25,000.

1884—Total vote, 189,938; Cleveland, 70,094; Blaine, 108,742; St. John, 4,618; Butler, 3,674.

IDAHO.

KETCHUM, Ida., November 6.—[Special to THE HERALD]—Two hundred

votes were cast in this city. One hundred had been counted at 11 p. m., of which Dubois had 51, and Hawley 27. HAWLEY, Idaho, November 6.—[Special to THE HERALD]—Unfavorable weather greatly interfered with voting and the new registry law reduces the vote. The county will probably cast 2,500 votes. Hon. James H. Hawley was in Hawley all day, and very confident of carrying Idaho by a round thousand majority. He voted for Dubois, exchanging votes. There were three legislative tickets in the field, one for the division of Elmore County. It is impossible to even guess at the results of one of the county tickets. Evidently several are elected on both party tickets. Democratic sheriff, Kinney; recorder, John M. Cannady, and school superintendent, Mrs. Butler, are probably re-elected. Alturas County, being over 200 miles long and mountainous, complete returns cannot be had for a week.

WYOMING.

CHEYENNE, November 6.—Following is the vote for delegate legislature: For Hillard Precinct, Uinta County: Delegate, Carey, 42; Orga, 8; Council, Chapman, 31; Leg, 19; House, Unks, 42; Snelden, 35; Jones, 35; Rex, 16; Carter, 14.

Bryan Precinct, Sweetwater County: Carey, 8; Org, 0; Republicans carry both branches of the Legislature.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alternative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain.

Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence St., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers St., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.
